Whitehall Borough Councilwoman Appointed to Public Policy Board

For Immediate Release

(Harrisburg – June 30, 2011) The Chrostwaite Institute announced today that Kathy DePuy has been appointed to serve on their Board of Directors through June 30, 2015. Her appointment to the board follows Ms. DePuy's successful election in April as the 2nd Vice President of the Pennsylvania State Association of Boroughs (PSAB). Her election was held at PSAB's annual conference in Hershey, which commemorated the organization's 100th Anniversary of promoting local government excellence across the Commonwealth.

Ms. DePuy has served on the Whitehall Borough Council since 1990 and is President of the Allegheny County Boroughs Association. She is also a Director of the Pennsylvania State Association of Boroughs, Allegheny League of Municipalities, and Past Director of the Cloverleaf YMCA. Kathy is a retired business education teacher and Past President of the Tri-State Business Education Association. Ms. DePuy earned a Masters Degree in Education from the University of Pittsburgh and a Bachelor of Science from Carnegie Mellon University.

"Kathy DePuy is an exceptional community leader and is widely respected by her statewide borough colleagues as a dedicated public servant through her work as a local government official" said Sam Worley, Chairman of the Institute's Board. "Ms. DePuy is a strong addition to our leadership team and her diverse professional experience will prove to be a valuable asset as our board seeks to research numerous policy matters that impact Pennsylvanians."

About the Chrostwaite Institute

The Chrostwaite Institute is an independent, nonpartisan, nonprofit organization dedicated to research and public policy analysis. It focuses on such key areas as government efficiency, community investment, transportation, water infrastructure, economic development, and the promotion of civic engagement in local communities.
